**FOR IMMEDIATE  
RELEASE:**

## **Stand Up for Your Rights as a Motorcyclist & Citizen! Come to ABATE of Florida, Inc's 15<sup>th</sup> Annual Freedom Rights Rally April 19, 2010!**

Tallahassee, FL, April 1, 2010 – You see thousands of motorcyclists in Florida every year riding the beautiful roadways and notice they are all exercising their right to choose the manner in how they ride. Even though this year's Daytona Bike Week was cooler than the past, thousands of riders trekked to the area to enjoy themselves and see why we enjoy riding in Florida so much.

The time is fast approaching for you to help us in our never-ending fight for motorcyclists' rights. Years before the Tea Parties became popular, ABATE of Florida has been organizing rallies offering motorcycle enthusiasts the opportunity to remind politicians why we elected them. This year is no exception. April 19, 2010 will mark the 15<sup>th</sup> Anniversary of our famous Freedom Rights Rally which will once again bring a mass of motorcyclists to the doorsteps of the State of Florida Capitol Building in Tallahassee.

ABATE of Florida's 2010 Freedom Rights Rally will begin with a police-escorted ride beginning in Monticello, FL in the morning, leading hundreds of motorcycles right onto Florida's State Capitol grounds. Once parked at the Capitol Building's steps, the rally in the Courtyard will include a ceremony honoring those that have passed before us, and speakers discussing why we are there and the current legislative issues we are fighting for in the Florida Legislature. We welcome all media outlets to witness how bikers can unite to fight for our rights.

More information on this free event may be found on our website at [www.abateflorida.com](http://www.abateflorida.com).

----

With almost 8,000 members, ABATE of Florida, Inc. is Florida's largest Motorcyclists' Rights Organization, and the fourth largest nationwide. ABATE of Florida members consist of all types of motorcyclists. Our missions include educating the public about motorcycle awareness and continuing to fight in Tallahassee for the rights of every motorcyclist and the public in general. To aid in these ends, we have an exclusive lobbyist and have founded the Motorcycle Safety and Awareness Program, both with the intentions to help make the roads safer for everyone.
