Presidents/Legislative Representatives
ABATE of Florida, Inc.

Fellow Freedom Fighters:

I am writing to ask you for your support. Time is of the essence. As you are aware, elections for Congress and the Florida State Legislature are just around the corner. We have sent out the enclosed questionnaires to the appropriate candidates. The response has been favorable so far. It is imperative that we get as many candidates as possible to reply. I am asking that each of you determine what District, or Districts you are in, and contact the candidates in your area. Most of the responses we have received so far indicate that the candidates support the issues that ABATE is concerned with. This is expected, as they will be looking for people to help them with their campaigns. **ABATE WILL NOT ENDORSE ANY OF THE CANDIDATES.** We can help spread the word, hand out literature, etc... for the candidates that we determine support our issues. I will be putting out a list of the candidates with the results of the questionnaires. It will simply state who the candidates are, and their responses to our questions. Our Lobbyist will then take this information and make recommendations on which Legislator's support ABATE of Florida. You can determine what district you are in by looking on your current Voter's Registration, going on line to the Florida State Legislature web site "On Line Sunshine" or by looking on the enclosed map. If you have any questions that I can answer, please do not hesitate to contact me.
